

**Name:** Timothy Fisher

**Age:** 23-years-old

**Gender:** Male

**Hobbies:** Gaming, programming

**Background:**

Timothy is a 23-years-old young man from Brisbane. He is a third year university student, studying Bachelor of Information Technology at University of Queensland. Timothy enjoys a busy life for taking part in programming and game developing. He has a very busy schedule with university and also working on the weekends by tutoring. He wants his programming skills to be used for his future job.

**Goals & Ambitions:**

- Graduate from University
- Find a full time job after graduated
- Have his own team for game development

**Behaviour & Attitudes:**

- Determined
- Ambitious
- Responsible
- Selfless

**Frustrations:**

- IT skills be abandoned
- No internet
